## Blockchain Solutions LLC

### WHO WE ARE:

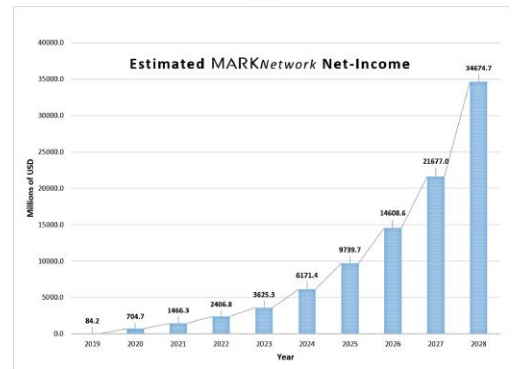

**MARKNetwork** Blockchain Solutions LLC is a US-based company registered in Wyoming. As a **unified Blockchain solutions provider**, we are determined to add value to this eco-system.

### WHAT WE DO:

Our goal is to expedite the **large-scale adoption of blockchain technology**, by creating services that are **intuitive and easy to use**. From hosting full or shared Masternodes, Triangular Arbitrage Bots, Cryptocurrency-Exchange (Malta) with White-Label solutions, Payment Solutions as well as venture capital management – we aim to bring **everything from a single source**.

Our first service **MARKMining** is an easy-to-use service platform that provides the ability for Proof-of-Stake (PoS) coin holders to run their own Masternodes, even if they lack the technical know-how or minimum amounts of PoS coins to start their own Masternode.

We are aiming to **release three services in 2019** with the single focus of developing Blockchain solutions that can finally bring this technology into **everyone's daily life**.

### WHAT WE CAN DO FOR YOU:

We are at the beginning of the next industrial revolution and would like to share this opportunity with like-minded people and firms, to help take our offerings across the globe and create value for our customers, investors and employees. **Join us on this captivating journey!**

### LET'S CONNECT:

Ours is a global team of blockchain evangelists, with deep and varied experience, who believe in the long-term potential of the technology. **Drop us a line!**
